

1. K-LOVE serves my family and myself with nonstop Christian music and talks about how Jesus Christ is the savior of the world, without any commercials.

2. If K-LOVE was displaced by an LPFM broadcaster and other programming, it would mean people in our community could not hear Godly music and about good Christian morals, which all our communities need.

3. The service that K-LOVE provides helps the public to hear about Jesus Christ 24 hours per day everyday. K-LOVE also helps lead people to the Lord, which many adults and teens really need, because they can not find what they need in being selfish or in any substance abuse. K-LOVE is the only station that does not have bad language on it any time, or any type of sexual talk. I believe that public needs K-LOVE to stay the way it is.
